TOLE COUNTRY ENDS		3 pm	

My name is Sue Lozano, the 2010 Tole Country Director, and on behalf of every one who helped put this convention together, I would like to welcome you to Tole Country. Chill Out and Paint is our 37th convention and is presented by the Central Oklahoma Society of Tole and Decorative Painters, or Tole Diggers. We are an affiliated chapter of the Society of Decorative Painters and I encourage every painter to join SDP. I want to thank my Honorary Chair, Renee O'Donnell, and all the teachers and vendors who support us. And my appreciation sincerely goes out to all students; you are the reason we do this year after year.

*Register for classes as soon as possible*

We offer our **Early Bird** registration fee, a \$20 discount if you register before July 1st.

The first fifty students receive our **CHILL OUT AND PAINT** Tole Country 2010 charm. These are quite popular and a great memento of your convention experience.

Our teachers get updated registration numbers for their classes throughout the summer. One of the reasons classes are canceled is **low** enrollment, often months before Tole Country. And teachers need time to acquire and prepare their pieces for classes.
